Stop Assisted Suicide

A Better Way Forward – A Message from the Catholic Bishops of Illinois

Legislation has been introduced to legalize assisted suicide in Illinois. SB 3499 makes it legal for a physician to prescribe an array of lethal drugs to a person diagnosed with a terminal disease who requests to end his or her life. The Catholic Bishops of Illinois oppose this legislation; there is a better way forward for our state.

Assisted suicide disregards the Hippocratic Oath, “Do No Harm,” and sends the wrong message about the role of medical professionals. We cannot say it any better than the American Medical Association: “Physician assisted suicide is fundamentally incompatible with the physician’s role as healer, would be difficult or impossible to control, and would provide serious societal risks.”

This legislation brings a range of possible abuses. It should alarm us that in states with legalized assisted suicide there are documented cases of people being offered inexpensive lethal drugs to end their life rather than being provided more costly treatment. The poor and those with disabilities are particularly in jeopardy because they are the most vulnerable to abuses. Every major national organization that represents people with disabilities is opposed to assisted suicide.

In Oregon, where assisted suicide has been legal since 1997, data show that pain is not among the top five reasons why a person wants to end their life. Loss of autonomy, feelings of being a burden and being less able to engage in activities that make life enjoyable are most often cited as reasons for choosing assisted suicide. A better way forward is to expand mental health coverage and strengthen social supports such as community programs to help those dealing with depression and feelings of hopelessness.

No one wants to suffer or experience a loved one’s suffering. Fortunately, there are effective ways to alleviate suffering or make a person more comfortable at the end of life through palliative care. This relatively new specialty area of medicine cares for the whole person — physically, emotionally, socially, and spiritually — to relieve symptoms and stress that often accompany serious illness or side effects of treatment. A better way forward is to expand the number of palliative care locations and services in all areas of Illinois.

RESOURCES FROM THE CATHOLIC CONFERENCE OF ILLINOIS

Assisted suicide is not a compassionate solution for those who suffer. There is a better way forward that offers compassionate care and compassionate choices.

Our Lady of Fatima wishes to visit your Home

Would you like the Blessed Mother of God come to your home for a week? The Legion of Mary of Corpus Christi encourages families, especially those with young children, empty nesters, single parents, everyone, to spend some time with Mary. We will provide a prayer packet to help you. Please contact the Parish Office at corpuschristicc@sbcglobal.net or leave a message at 312-237-6448. We will be glad to answer any questions and provide you with more details.

Our Blessed Mother has been joyously received by our parishioners since January 27. If you wish her to come and stay in your house for a week, please send a message to Letty Dino at ldino518gmail.com or call the parish number at 630-483-1673 to schedule.

Do you want to know more about the works of the Legion of Mary? **The Legion of Mary is an association of Catholics who with the sanction of the Church and under the powerful leadership of Mary Immaculate, Mediatrix of all Graces (who is fair as the moon, bright as the sun, terrible as an army set in battle array,) formed themselves into service in the spiritual warfare against the world and its evil powers to bring everyone to her beloved Son, Jesus.**

Corpus Christi's Legion of Mary meets every **Wednesday at 7 pm in Marian Hall**. New members are always welcome. Contact Letty at ldino518@gmail.com for more information.
