The Pastor's Corner...

The Conscience of the World

Every human activity, individual or organized in society, state or group of states is subject to moral judgment. The Church and the Vatican have a special obligation to be a voice of conscience and wisdom, not only to Catholics, but to all people in the entire world. Many rulers, presidents, prime ministers, and kings wanted and still want to impose a limit on the Catholic Church to deal with matters strictly connected to faith alone. However, Christ gave the Church not only a mandate but also an obligation to be salt and light of the world. The Church is called to tell the truth in the world and not to please individuals, nations or rulers. With such an understanding of the role of the Church, we should read the first encyclical of Pope Leo XIV: “***Magnifica Humanitas: On Safeguarding the Human Person in the Time of Artificial Intelligence***,” published May 25. Magnifica Humanitas means “Magnificent Humanity” in Latin. The term “Artificial Intelligence” (AI), which even a few years ago seemed to be something completely abstract and in the realm of science-fiction films, entered the life of ordinary people and societies. The most visible examples of this are when the search engine in our cell phones first show answers generated by AI, or when there is a reduction of this or another company workforce because it is replaced by AI.

Pope Leo’s encyclical has been long awaited by policymakers, business leaders, and different faith groups who see the Catholic Church as a source of ethical guidance on tech policy.

The Pope’s document warned that artificial intelligence “threatens to normalize an anti-human vision” and said that the concentration of immense digital power in the hands of a few private actors must be countered. On the day of the presentation of the new document, Pope

Leo XIV clearly stated: “**Artificial intelligence needs to be disarmed, freed from the logic that turned it into an instrument of domination, exclusion and death**” and “**it must be at the service of all, and of the common good.**”

Uncontrolled usage of AI in the military is especially dangerous as AI-driven weapons systems risk lowering the moral threshold for the use of force and make “war more ‘feasible’ and less subject to human control. No algorithm can make war morally acceptable,” the Pope claims, and explains: “AI does not remove the intrinsic inhumanity of conflict; indeed it can only bring about conflict more quickly and render it more impersonal, lowering the threshold for resorting to violence, transforming defense into threat prediction and thus reducing victims to data.”

To prevent this horrific scenario, Pope Leo calls for the regulation of AI: “It is not enough to invoke ethics in the abstract; robust legal frameworks, independent oversight, informed users and a political system that does not abdicate its responsibility are required.”

One must hope that this powerful voice from the Vatican will resonate in concrete actions of companies in the world, legislators, and rulers to safeguard against the dangers of AI. At the same time, the new encyclical will hopefully encourage a deeper understanding by the general public of both the positive and negative aspects of AI.

Pledge your gift to the 2026 CMAA

The Diocese of Joliet invites all parishioners to support the 2026 Catholic Ministries Annual Appeal (CMAA). Together, we can make a profound difference. The appeal is a powerful way to put our faith into action.

This year's theme is ***Beyond all Expectations: Faith that Elevates!*** When we care for those in need, we answer this call. Our parish joins with other parishes to serve the vulnerable, grow children in faith, and strengthen vocations. We cannot foster these ministries alone. This is a diocese-wide effort.

We receive 70% of any amount raised over our goal to reinvest in our parish.

Please prayerfully consider your gift and help our parish reach its \$GOAL. Complete and return a pledge envelope in church today. Thank you for your support! [Catholic Ministries Annual Appeal 2026](#)

Our Lady of Fatima wishes to visit your Home

Thank you to the parish families who have welcomed our Lady of Fatima into their homes. We believe that Mary chooses the homes she wants to visit especially when we ask families who have never heard of hosting her. What does it take to host her? Just spend minutes of prayers with her in a special area in your home, either alone, with family and/or friends. We provide the prayer packets to assist you and give you rosaries, prayer cards, blessed medals that you can use.

The Legion of Mary specially calls on those with young children, empty nesters, single parents, to spend a week with Mary in your home and to experience her presence. Our Mother wishes to be a part of your prayer life and to bring you closer to her Son, Jesus.

Please email the Parish Office at Corpuschristicccs@gmail.com or leave a message 630-483-1673 to schedule a date. You can also contact Letty Dino at ldino518@gmail.com
Our Lady is waiting for you!

Do you want to know more about the works of the *Legion of Mary*? It is an association of lay Catholics through Corpus Christi Pastor Father Mark Jurzyk, and under the powerful leadership of Mary Immaculate, Mediatrix of all Graces, *who is fair as the moon, bright as the sun, terrible as an army set in battle array*, formed themselves into service in the spiritual warfare against the world and its evil powers to bring everyone to her beloved Son, Jesus. Contact Letty at ldino518@gmail.com for more information or leave your number at the Parish Office so we can contact you.
