Our Fathers on Earth

I began my preparation for the priesthood in the diocesan seminary just after completing high school at the age of 19. From that moment, I have been a guest at my family house whenever I visit my family and native town. As a seminarian, and later as a priest, I was able to visit my parents only once every few weeks or once every few months. These visits became even more infrequent when I started my priestly ministry in the United States over 20 years ago. My parents were quite healthy and independent for all these years.

Time is passing quickly, however, for all people, including them. When my mom died six years ago, my father continued to live with his elderly brother. Then two years ago when my uncle passed away, my father was still independent, although he was no longer driving and began using a walker. My brother and my sister took care of him daily, but he was quite independent, cooking for himself and even doing some light garden work. He is nearly 90 years old now. His life radically changed when he broke his hip and underwent serious surgery a few weeks ago. This situation turned the life of my siblings and their families upside down. When he returned home from the hospital, he needed daily care: food, medicine, hygiene, companionship – practically everything. Although professional caretakers have been visiting him twice a day, my sister and my brother and their families rotate their time by helping him every day.

One month after my father's surgery, I arrived home for a visit that was planned a year earlier. From the time of my mother's death, when I visit, I have been staying either at my sister's or my brother's house and not in my parents' home. Fortunately, my siblings' and my parents' houses are conveniently located two miles apart.

However, during my last visit, I decided to stay in my father's house. In this way I was able to be with him and assist him, especially at night. I was a little bit afraid because I have never taken care of anyone in such a way. I began preparing tea in the early morning for my father, giving him medicine, and preparing a light snack. A few times my father woke me up at night, but such efforts were not a problem for me. The biggest challenge for me and my family was to bathe him. It was difficult because the shower was relatively small, and my father was not able to walk. So, moving him, especially in the shower, seemed really to be a Herculean task. However, my brother and I did it, and actually, it was easier than I thought.

My six days' experience with a sick person - my father - gave me a lot of confidence. I now know that I am able to both physically and mentally take care of someone who is sick. It was something new to me. This experience invited me to understand and appreciate better other people who care for elderly and sick people doing much, much more than I did. Sometimes they care for them for months and even years. I felt deep gratitude and amazement for them for their dedication and love, the love that is usually visible only to a few people: family members and neighbors, sometimes even fewer.

This Sunday as we celebrate Father's Day, we are called to express our thanks to our fathers on earth and assure them that we will also be with them in times of illness and trouble.

May our Father in heaven bless you, dear fathers.

In Christ,

Fr. Mark Jurzyk

ROUTES

- > ☒  Marian Route
- > ☐  St. Elizabeth Ann Seton Route
- > ☐  St. Junipero Serra Route
- > ☐  St. Juan Diego Route

During this Eucharistic Revival, we are called to walk with Jesus. On a national level, groups of young adults will be walking thousands of miles, and portions of these miles will involve **processions with our Eucharistic Lord Jesus**, towards the Eucharistic Congress to be held in July this year 2024 in Indianapolis. A small, dedicated group of young adults – **“Perpetual Pilgrims”** – will make the full journey to Indianapolis, traveling full-time from May 2024 until July walking a total of 6,500+ miles over these four routes. They will be led by clergy and followed by a support van. Our Perpetual Pilgrims will rely on the biblical hospitality of local hosts, including lay families, parishes, religious orders, schools, and shrines along the way.

Those who meet up with the Pilgrimage and walk with them for any portion of the **four routes** (see above) — the **Marian** route, the **Seton** route, the **Juan Diego** route, or the **Serra** route — are part of our Eucharistic Caravan. Then, on July 16, 2024, all four branches of this historic Pilgrimage will converge in Indianapolis for the 10th National Eucharistic Congress—a milestone within the Revival and a historic moment for the Church in the U.S. The reinstitution of this legacy will gather our Catholic family in Indianapolis for a transformative experience that will bear fruit for generations to come. If you are able, **JOIN US AS WE RECONSECRATE THE HEART OF OUR NATION!** Jesus walks with us, carrying and caring for us as we journey together towards eternal life with and in Him. He is our Paschal Lamb, and we have a strong Protector in Him! So wherever you are on life’s pilgrimage: look around, Jesus is walking with you, ahead of you, to your right, to your left, above and beneath you, and behind you: He’s got your back, too! Shalom and deep joy and good health for all!

Stop Assisted Suicide

A Better Way Forward – A Message from the Catholic Bishops of Illinois

Legislation has been introduced to legalize assisted suicide in Illinois. SB 3499 makes it legal for a physician to prescribe an array of lethal drugs to a person diagnosed with a terminal disease who requests to end his or her life. The Catholic Bishops of Illinois oppose this legislation; there is a better way forward for our state.

Assisted suicide disregards the Hippocratic Oath, “Do No Harm,” and sends the wrong message about the role of medical professionals. We cannot say it any better than the American Medical Association: “Physician assisted suicide is fundamentally incompatible with the physician’s role as healer, would be difficult or impossible to control, and would provide serious societal risks.”

This legislation brings a range of possible abuses. It should alarm us that in states with legalized assisted suicide there are documented cases of people being offered inexpensive lethal drugs to end their life rather than being provided more costly treatment. The poor and those with disabilities are particularly in jeopardy because they are the most vulnerable to abuses. Every major national organization that represents people with disabilities is opposed to assisted suicide.

In Oregon, where assisted suicide has been legal since 1997, data show that pain is not among the top five reasons why a person wants to end their life. Loss of autonomy, feelings of being a burden and being less able to engage in activities that make life enjoyable are most often cited as reasons for choosing assisted suicide. A better way forward is to expand mental health coverage and strengthen social supports such as community programs to help those dealing with depression and feelings of hopelessness.

No one wants to suffer or experience a loved one’s suffering. Fortunately, there are effective ways to alleviate suffering or make a person more comfortable at the end of life through palliative care. This relatively new specialty area of medicine cares for the whole person — physically, emotionally, socially, and spiritually — to relieve symptoms and stress that often accompany serious illness or side effects of treatment. A better way forward is to expand the number of palliative care locations and services in all areas of Illinois.

RESOURCES FROM THE CATHOLIC CONFERENCE OF ILLINOIS

Assisted suicide is not a compassionate solution for those who suffer. There is a better way forward that offers compassionate care and compassionate choices.

Our Lady of Fatima wishes to visit your Home

Would you like the Blessed Mother of God come to your home for a week's visit?

The Legion of Mary of Corpus Christi encourages families, especially those with young children, empty nesters, single parents, everyone, to spend some time with Mary. We will provide a prayer packet to help you. Please contact the Parish Office at corpuschristicc@sbcglobal.net or leave a message at 312-237-6448. We will be glad to answer any questions and provide you with more details. Our Blessed Mother has been joyously received by our parishioners since January 27, 2024. If you wish her to come and stay in your house for a week, please send a message to Letty Dino at ldino518@gmail.com or call the parish number at 630-483-1673 to schedule your preferred date.

We share with everyone the many wonderful comments that our host families told us regarding their experiences with the visit of Our Lady of Fatima in their homes.

"It was a nice experience for the whole family. She brought us very peaceful and prayerful feelings. We asked for blessings and safe travels for our daughter who lives out of state. We also asked that our family continue to receive good health."

"Having our Lady in the home was a beautiful experience. We invited visitors during the week she was with us. My newly married daughter returned from her honeymoon came and we suggested that she and her husband say a prayer together for their new life.

We also asked that more young people return to the Catholic Church so that as they grow in faith, they become less anxious about their future."

"My workweek was covered with blessings during her visit. She protected me throughout the week from spiritual attacks of anxiety, and

I received safety favors from work. I pray that Our Mother will take care of my daughter who doesn't go to Church and who is dating a boy with no faith life. We asked that her heart softens so that she can have a future of joy, peace, love and faith."

Do you want to know more about the works of the *Legion of Mary*? **It is an association of lay Catholics through Corpus Christi Pastor Father Mark Jurzyk, and under the powerful leadership of Mary Immaculate, Mediatrix of all Graces, who is fair as the moon, bright as the sun, terrible as an army set in battle array,** formed themselves into service in the spiritual warfare against the world and its evil powers to bring everyone to her beloved Son, Jesus. **We meet every Wednesday at 7 pm in Marian Hall.**

As members, we unite ourselves by starting our meetings with the rosary, stand for the Legion's Catena Prayers during midmeeting, and end with the Closing prayer for the beautification of the Founder of the Legion Frank Duff. Trusting fully in Mary's guidance, we plan and organize corporal and spiritual acts of mercy to carry out our promise to be instruments of Mary's desire to fulfill God's plan. If you have this kind of calling, please don't hesitate to join us.
