## The 10th National Eucharistic Congress

This past Wednesday Catholics began a great celebration: the 10th National Eucharistic Congress in Indianapolis. It will conclude this Sunday, July 21, with a festive celebration of Mass at 10 am at the Lucas Oil Stadium. More than 50,000 participated in this event, including several Corpus Christi parishioners and myself.

Each day of this Congress gave participants an extraordinary opportunity to be enriched by presentations, talks, and discussions regarding the Eucharist and our faith. The keynote speakers included Bp. Robert Barron, Dr. Scott Hahn, Fr. Mike Schmitz and many others. Pilgrims had the opportunity to participate in Eucharistic Adoration and a Eucharistic Procession on the streets of the host city. There was also beautiful music and even a musical. Above all, Pilgrims could participate every day in Masses, including Masses celebrated in various Catholic liturgical traditions like the Byzantine liturgy or traditional Mass in Latin. It was very uplifting and a real joy to be there.

The Congress was held in Indianapolis, which is in the heartland of America. This centrality was highlighted by four routes of foot pilgrimages from four corners of the United States, each leading to Indianapolis. This fact has an additional meaning since the Eucharist is the heart of our Catholic faith.

Every generation of Catholic Americans has to undertake the difficult but, at the same time, beautiful mission of evangelizing themselves and others. Every newborn child, although he or she is a child of God, must learn about his or her Father in heaven. As we have received support from our parents to believe and to grow in faith, in the same way we are called to share this faith with new generations and ourselves to continuously enrich our faith. The Eucharistic Revival is a small but an important opportunity to reinvigorate trust in God and appreciate more and more God's real presence in the Eucharist.

In 1976, when the International Eucharistic Congress was held in Philadelphia, President Gerald R. Ford told participants, "For millions of men and women, the Church has been the hospital for the soul, the schoolroom for the mind and safe depository for moral ideals." This has not changed.

From Indianapolis, as one priest has noted "the participants will be sent on a mission: to share the joy of our faith and bring the healing light of the Gospel to a dark world, wounded and weary from sin." In fact, every one of us is called to be on that mission: first to our children, spouse, family members, and to all others.

Let's pray for a real revival of our hearts and minds and our communities and nation. May the Eucharistic Lord bless us all.

Fr. Mark Jurzyk

## Our Lady of Fatima wishes to visit your Home

Would you like the Blessed Mother of God come to your home for a week's visit?

The Legion of Mary of Corpus Christi encourages families, especially those with young children, empty nesters, single parents, everyone, to spend some time with Mary. We will provide a prayer packet to help you. Please contact the Parish Office at [corpuschristicc@sbcglobal.net](mailto:corpuschristicc@sbcglobal.net) or leave a message at 312-237-6448. We will be glad to answer any questions and provide you with more details. Our Blessed Mother has been joyously received by our parishioners since January 27, 2024. If you wish her to come and stay in your house for a week, please send a message to Letty Dino at [ldino518@gmail.com](mailto:ldino518@gmail.com) or call the parish number at 630-483-1673 to schedule your preferred date.

**We share with everyone the many wonderful comments that our host families told us regarding their experiences with the visit of Our Lady of Fatima in their homes.**

*"It was a nice experience for the whole family. She brought us very peaceful and prayerful feelings. We asked for blessings and safe travels for our daughter who lives out of state. We also asked that our family continue to receive good health."*

Lake Family

*"Having our Lady in the home was a beautiful experience. We invited visitors during the week she was with us. My newly married daughter returned from her honeymoon came and we suggested that she and her husband say a prayer together for their new life. We also asked that more young people return to the Catholic Church so that as they grow in faith, they become less anxious about their future."*

*"My workweek was covered with blessings during her visit. She protected me throughout the week from spiritual attacks of anxiety, and I received safety favors from work. I pray that Our Mother will take care of my daughter who doesn't go to Church and who is dating a boy with no faith life. We asked that her heart softens so that she can have a future of joy, peace, love and faith."*

Salazar-Sundberg Family

Bennett Family

Do you want to know more about the works of the *Legion of Mary*? **It is an association of lay Catholics through Corpus Christi Pastor Father Mark Jurzyk, and under the powerful leadership of Mary Immaculate, Mediatrix of all Graces, who is fair as the moon, bright as the sun, terrible as an army set in battle array,** formed themselves into service in the spiritual warfare against the world and its evil powers to bring everyone to her beloved Son, Jesus. **We meet every Wednesday at 7 pm in Marian Hall.**

*As members, we unite ourselves by starting our meetings with the rosary, stand for the Legion's Catena Prayers during midmeeting, and end with the Closing prayer for the beautification of the Founder of the Legion Frank Duff. Trusting fully in Mary's guidance, we plan and organize corporal and spiritual acts of mercy to carry out our promise to be instruments of Mary's desire to fulfill God's plan. If you have this kind of calling, please don't hesitate to join us.*

## Stop Assisted Suicide

### A Better Way Forward – A Message from the Catholic Bishops of Illinois

Legislation has been introduced to legalize assisted suicide in Illinois. SB 3499 makes it legal for a physician to prescribe an array of lethal drugs to a person diagnosed with a terminal disease who requests to end his or her life. The Catholic Bishops of Illinois oppose this legislation; there is a better way forward for our state.

Assisted suicide disregards the Hippocratic Oath, “Do No Harm,” and sends the wrong message about the role of medical professionals. We cannot say it any better than the American Medical Association: “Physician assisted suicide is fundamentally incompatible with the physician’s role as healer, would be difficult or impossible to control, and would provide serious societal risks.”

This legislation brings a range of possible abuses. It should alarm us that in states with legalized assisted suicide there are documented cases of people being offered inexpensive lethal drugs to end their life rather than being provided more costly treatment. The poor and those with disabilities are particularly in jeopardy because they are the most vulnerable to abuses. Every major national organization that represents people with disabilities is opposed to assisted suicide.

In Oregon, where assisted suicide has been legal since 1997, data show that pain is not among the top five reasons why a person wants to end their life. Loss of autonomy, feelings of being a burden and being less able to engage in activities that make life enjoyable are most often cited as reasons for choosing assisted suicide. A better way forward is to expand mental health coverage and strengthen social supports such as community programs to help those dealing with depression and feelings of hopelessness.

No one wants to suffer or experience a loved one’s suffering. Fortunately, there are effective ways to alleviate suffering or make a person more comfortable at the end of life through palliative care. This relatively new specialty area of medicine cares for the whole person — physically, emotionally, socially, and spiritually — to relieve symptoms and stress that often accompany serious illness or side effects of treatment. A better way forward is to expand the number of palliative care locations and services in all areas of Illinois.
