Holiness Runs in the Family

**ST. MONICA &
ST. AUGUSTINE**

Raising faithful children is no easy task. For St. Monica, it seemed nearly impossible. Her husband wasn't Christian and often mocked her faith. Their son, Augustine, fell quickly into wild ways. He and his friends drank, stole, and caroused throughout town. Monica never stopped praying for Augustine, no matter how far he strayed. Augustine became swept up in heresy, a false form of Christianity. He lived with a mistress and had a child out of wedlock. All the while,

Monica kept praying. Conversion came slowly to Augustine, but at age 32, he was finally baptized. Augustine would go on to become a priest, then bishop, then world-renowned theologian whose works have stood the test of time. May St. Monica and St. Augustine inspire us to never stop praying for our loved ones.

I am an Albertine Sister and I fulfil our calling on missions in Bolivia by serving people being the most in need of support at the St. John Paul II Centre in Cochabamba.

The objective of the Centre is to bring aid to mothers who carry a conceived life and have found themselves in a difficult situation.

The solitude of pregnant women and mothers raising children is commonplace in Bolivia and stems from the so-called "Machismo". It surprises no one when a father abandons his family, leaving the responsibility of caring for the children and providing for the household to the woman. According to statistics, Bolivia is ranked high amongst locations where "being a mother is difficult".

It is all the "more difficult to be a mother" when a pregnant woman is left alone with several children.

In Bolivia, motherhood is experienced early. Bolivia has one of the highest teenage pregnancy rates in the world. Then, they leave their home and look for help outside so as not to burden their parents and siblings.

We cannot ignore the fact that for a young girl or a mother of several children, giving birth to a child is an act of true heroism because they lack appropriate means or the support of their family and because abortion is promoted as a "good solution".

Therefore, we must do everything in our power (as St. John Paul II exhorted) so that "abortion becomes unthinkable", so that no Mother is left alone with her struggles. Spiritual, moral and material support is necessary.

Every mother is provided by us with food products, a layette, a cardboard cradle, diapers, milk (if needed), and even a accommodation.

By offering such simple aid, we protect the lives of unborn children so that each of them can be welcomed and surrounded by love.

Prayer for Students and Teachers as They Begin a New School Year

Lord our God, in Your wisdom and love You surround us with the mysteries of the universe. You sent us Your Son to teach us by word and example that true wisdom comes from You alone. Send Your Spirit upon all students and their teachers as they begin a new school year and fill them with Your wisdom and blessings. Bless all students. Let them enjoy their learning and take delight in new discoveries. Help them to persevere in their studies and give them the desire to learn all things well. Bless all teachers. Let them strive to share their knowledge with gentle patience; and endeavor always to bring the truth to eager minds. Grant that students and teachers alike may follow Your Son, Jesus Christ, who is the way, the truth, and the life.

We pray this through Christ our Lord. Amen.

We invite you to become a registered parishioner of Corpus Christi, or to submit/update your contact information (for important church updates).
